Honorable Sir,

In pursuance of paragraph 1. of Office action of 11/09/2004, the applicant shall file a continuation in part application disclosing and claiming subject matter not disclosed in the original application filed on 01/12/2001. Further, he shall also file a timely reply after canceling the new matter.

The applicant wishes to enquire from the Office, if the drawings submitted on 09/01/2004 as amendment to the above-cited application and now lying in the image file wrapper of application No.09/781,090 can be used for the continuation-in-part application proposed herein. As the drawings on all the 7 Nos. of drawing sheets are considered new drawings and as the drawings were personally hand drawn by the applicant without using any drawing software, the applicant would be grateful to the Office if the applicant can make the continuation-in-part application with reference to the drawings on the aforementioned 7 Nos. of drawing sheets, without having to resend handmade copies of the drawings.

The applicant would be extremely grateful to receive a quick reply on his now-dedicated fax No.91 11 2731 56 28 regarding this query. He could also be contacted on tel. No. 91 11 5245 50 56.

Respectfully submitted,  
*Anadish Kumar Pal*  
(Anadish Kumar Pal)  
Appl. No. 09/781,090
